Register Watch Introduction

The Solo wearable App allows you and your Organisation to stay in touch as you go about your daily tasks. So that you can remain safe and accounted for.

Register Watch

Introduction cont.

Registration of the Solo wearable app requires both your wearable and mobile devices.

Ensure that your wearable device has been paired with your mobile and also that the Solo app has been downloaded to your wearable according to the instructions for your device.

Information on how to do this can be found in the support portal.

Register Watch

Locate Solo App

Take your wearable device and locate the Solo app via the:
