How to Log In

1. Go to the Damstra Technology website (www.damstratechnology.com), then click **Login & Register**

2. Enter your **Username** and **Password** provided to you in the email from Damstra confirming your Company's registration with Damstra, then **Login**.

If you forgot your username or password, you can click the '**Forgotten your username/password**' hyperlink. Then just provide your email address associated with the account.
